Let us help you with
ALL your recycling
needs.

Here at Hazleton Oil
& Environmental,
**WE DO THINGS
RIGHT!**

- We can REMOVE antifreeze from your location
- We SELL the following types of antifreeze:
 - GREEN ANTIFREEZE 50/50 PREMIX
cost effective, saves resources, and prevents waste
 - RED EXTENDED LIFE ANTIFREEZE
lasts 5 years/150,000 miles or longer, reduces the need to purchase additional antifreeze
 - UNIVERSAL (GOLD) ANTIFREEZE 50/50 PREMIX
works on any vehicle with no confusion about colors or chemistry
- When properly formulated, RECYCLED coolants meet nationally recognized performance specifications— and many even EXCEED them
- Material Safety Data Sheet (MSDS) is available to customers UPON request
