Let us help you with  
**ALL** your recycling  
needs.

Here at Hazleton Oil  
& Environmental,  
**WE DO THINGS  
RIGHT!**

**NEVER** dispose of hazardous materials or waste solvents, degreasers, waste oil, commercial cleaners, pesticides, paint thinner, or radiator fluid by pouring them down a floor drain, toilet or sink.

When you need to dispose of hazardous waste, contact HAZLETON OIL & ENVIRONMENTAL, INC. for safe and easy removal.

### HAZARDOUS WASTE INCLUDES:

- Gasoline
- Solvents (liquid and Solids)
- Paints (liquids and Solids)
- Chemicals
- “Flammables” (Liquids and Solids)
