**You can count on us
to provide on-going
service to suit your
needs.**

**Here at Hazleton Oil
& Environmental,
WE DO THINGS
RIGHT!**

- We **SELL** parts washers with sinks and provide the **SERVICE** for them
- Recirculating drum mounted **PUMP** comes in 16 gallon drum which holds 9 gallons of solvent or 30 gallon drums which holds 15 gallons of **SOLVENT**
- Recirculating **PUMP** with removable platform work shelf holds 22 gallons of **SOLVENT** (RT-32) or 40 gallons of solvent (RT-48)
- We use **NON-HAZARDOUS** parts washer solvent which is very **SAFE** and very **LOW ODOR**
- **YOU** can rest assured knowing you are using a product that is environmentally **FRIENDLY**
- We recycle **SPENT** solvent
