**Don't wait until the spill happens, we have ways to show you how to prevent it!**

**Here at Hazleton Oil & Environmental,  
WE DO THINGS  
RIGHT!**

- We offer the spill prevention assistance all customers
- We train your management, operations or facility personnel to ensure no problems occur in the future
- Demonstration on what to do if something goes wrong
- In this presentation we will show you spill kits, absorbents and other applications to use in case of an emergency
- We will even offer assistance with a spill plan
  - ~ Everyone must have a spill plan on site if they have waste oil in Pennsylvania

**WE'RE HERE TO HELP!**
